

CURRICULUM VITAE

P. G. SANKARAN, M.Sc, Ph.D.

Vice Chancellor

Cochin University of Science and Technology

Cochin 682 022, India

Phone: 91-484-2575699 (Office)

9847348528 (Mobile)

E-mail: pgsankaran@cusat.ac.in

sankaran.p.g@gmail.com

Highlights

- *Pro Vice Chancellor, Cochin University of Science and Technology, 2017-2023*
- *Professor and Head, Department of Statistics, CUSAT*
- *Director, Centre for Population Studies, CUSAT*
- *Received Distinguished Statistician Award of Indian Society for Probability and Statistics, 2020.*
- *Received the Young Researcher Award in 2010, constituted by the International Indian Statistical Association, USA to honor Outstanding Researchers in Statistical Theory.*
- *Received BOYSCAST fellowship of Department of Science and Technology, Government of India, 2000.*
- *Published 180 research papers in refereed journals of which over 130 were in international journals.*
- *Published 4 books and 3 technical papers.*
- *Delivered 90 invited talks in national/international conferences*
- *Undertaken many research projects in Mathematical Sciences*
- *Visiting scientist at many leading Indian and International institutes including Indian Statistical Institute, (Kolkata and New Delhi), University of Dalhousie, Canada and University of Waterloo, Canada.*
- *Member of International Statistical Institute, The Netherlands; American Mathematical Society, U.S.A.; Institute of Mathematical Statistics, U.S.A.; International Indian Statistical Association, U.S.A.; International Society for Business and Industrial Statistics, U.S.A.*
- *Life Member of Indian Society for Probability and Statistics*

- *Associate Editor, IAPQR Transactions*
- *Reviewer of many international journals such as American Mathematical Review, U.S.A., Multivariate Analysis, Computational Statistics and Data Analysis, Statistics and Probability Letters, Statistics, Communications in Statistics- Theory and Methods, Statistical Papers, Journal of Japan Statistical Association, Journal of Applied Statistics, Journal of Indian Statistical Association, Bulletin of Calcutta Statistical Association*
- *Successfully supervised the 14 Research Scholars for doctoral degree.*

Education

M.Sc. Statistics, Cochin University of Science and Technology, Kerala, India, 1987

Ph.D. Statistics, Cochin University of Science and Technology, Kerala, India, 1992

Areas of Specialization

Survival Analysis, Reliability Analysis, Distribution Theory, Statistical Inference

Positions held in the past

Pro Vice Chancellor, Cochin University of Science and Technology (29, August 2017-20, October 2018 and 3 -5-2019 to 24-4-2023)

Head, Department of Statistics, Cochin University of Science and Technology (15th December 2014- 29, August 2017)

Senior Professor, Department of Statistics, Cochin University of Science and Technology (Since 10th November 2020)

Professor, Department of Statistics, Cochin University of Science and Technology (10th November 2010- 09 November 2020)

Director, Centre for Population Studies, Cochin University of Science and Technology (Since 2002)

Associate Professor, Department of Statistics, Cochin University of Science and Technology (From 10 -11- 2007 to 09-11-2010)

Reader, Department of Statistics, Cochin University of Science and Technology (Since 10th November 2004)

Lecturer (Senior Scale), Department of Statistics, Cochin University of Science and Technology (From 10-11-1999 to 9-11-2004)

Lecturer, Department of Statistics, Cochin University of Science and Technology (From 26-9-1997 to 9-11-1999)

Lecturer in Statistics, Marthoma College for Women, Perumbavoor (From 10-11-1995 to 25-9-1997)

Statistician, Indian Cardamom Research Institute, Spices Board, Cochin
(From 27-1-1993 to 9-11-1995)

Visits

- Visiting Scientist, Indian Statistical Institute, Kolkata, March 2014
- SAP DRS Visitor, Calcutta University, Kolkata, February 2010
- Visiting Scientist, Indian Statistical Institute, New Delhi, June 2008
- Visiting Scientist, Indian Statistical Institute, Kolkata, May, 2004, March 2014
- Visiting Scientist, University of Waterloo, Canada, May-June 2003
- Post Doctoral Fellow, University of Dalhousie, Canada, April-August, 1997
- BOYSCAST Fellowship of DST, Govt. of India, University of Dalhousie, Canada, March-September, 2000
- Lecturer, Dalhousie University, Canada, May 2000

Title of the Ph.D. Thesis

Characterization of probability distributions using reliability concepts

Ph.D. Thesis Supervised

1. Rejani P P : Cure rate regression models in survival analysis, 2023
2. Sisuma S : Statistical analysis recurrent event competing risks data, 2023
3. Aswin I C : Modeling lifetime data using quantile based reliability measures, 2023
4. Dileep Kumar M : Reliability modelling and analysis using quantile functions, 2019
5. Prasad S: Modeling and analysis of middle censored lifetime data, 2018
6. Preethi John: Some families of bivariate distributions and their applications, 2017.
7. Nidhi P Ramesh : Modeling and analysis of lifetime data in discrete time, 2017.
8. Anjana S. : Modeling and analysis of lifetime data using reversed hazard rates, 2016
9. Midhu N. N. : Modeling and analysis of lifetime data using quantile functions, 2014
10. Anisha P. : Modeling and analysis of recurrent event data, 2012
11. Sreedevi E. P. : Modeling and analysis of competing risks data, 2010
12. Gleeja V. L. : Modeling and analysis of bivariate lifetime data using reversed hazard rates, 2008
13. Sreeja V. N. : Regression models for bivariate survival data, 2008
14. Maya T. Nair: On finite mixtures of Pareto and beta distributions, 2007.
15. Ansa Alphonsa Antony: Non parametric estimation of survivor function in bivariate competing risk models, 2006.
16. Sindhu, T. K: A generalized Pearson system useful in reliability analysis, 2005.

Awards and Fellowships

1. Distinguished Statistician Award, Indian Society for Probability and Statistics, 2020.
2. Young Researcher Award, International Indian Statistical Association, 2010
3. BOYSCAST Fellow of DST, Govt. of India, 2000
4. CSIR Senior Research Fellowship, 1991-1992

Conferences/Workshops Organized

1. International Workshop on Reliability Theory and Survival Analysis, December 31, 2013- January 2, 2014
2. XXXI Annual Convention of Indian Society for Probability and Statistics (ISPS) and International Conference on Statistics, Probability and Related Areas, December 19-22, 2011, Cochin
3. Workshop on Health and Wellness, 2007, Cochin.
4. IISA Joint Statistical Meeting and International Conference on Statistics, Probability and related areas, 2007, Cochin.
5. Workshop on Women and Health Literacy in Kerala, 2006, Cochin.
6. International Conference on Statistics in Industry and Business, 2003, Cochin.
7. Workshop on Six Sigma Limits, 2002, Cochin.
8. Workshop on ISO 2000, 2001, Cochin.

Membership in Academic Bodies

1. Member, Syndicate, CUSAT
2. Member, Academic Council, CUSAT
3. Member, Senate, CUSAT
4. Member, Board of Studies CUSAT, University of Calicut, KUFOS
5. Member, Examination Board , CUSAT, University of Calicut, University of Kerala, Bangalore University, M.G. University, Mangalore University
6. Member, Staff Council, CUSAT
7. Member, Faculty of Science, CUSAT
8. Member, Governing Council of RUSA, CUSAT
9. Member, Academic Committee, CUSAT
10. Member, University Placement Committee, CUSAT

Membership in Professional Organizations

1. Elected Member, International Statistical Institute, The Netherlands
2. Member, American Mathematical Society, U.S.A.
3. Member, Institute of Mathematical Statistics, U.S.A.
4. Life Member, International Indian Statistical Association, U.S.A.
5. Life Member, International Society for Business and Industrial Statistics, U.S.A.
6. Life Member, Indian Society for Probability and Statistics, India
7. Life Member, Kerala Statistical Association

Projects Undertaken

1. Major Research Project (Principal Investigator) : MATRICS scheme of Department of Science and Technology, Government of India, 2018-2021.
2. Major Research Project (Principal Investigator): Modeling and analysis of lifetime data using quantile functions, KSCSTE, Govt. of Kerala, 2017-2020
3. USERS Scheme-Book Writing (Co-investigator) “ Quantile based Reliability Analysis”, Department of Science and Technology, 2011-2013.

4. Major Research Project (Co-investigator): “Modelling and analysis of financial time series”, Department of Science and Technology, 2008-2011.
5. Minor research Project “ Pearson family of distributions, Cochin University of Science and Technology, 1998-2000

List of Research Papers Published

A. Research Papers

2023

1. P.G.Sankaran, Ashlin Mathew and Sreedevi E P: Comparison of cause specific rate functions of panel count data with multiple modes of recurrence", *Statistics and Applications*, 2023 (to appear)
2. Aswin I C , P.G.Sankaran and S.M.Sunoj: Some reliability aspects of record values using quantile functions, *Communications in Statistics- Theory and Methods*, 2023 (to appear)
3. Sankaran P G , Hari S and Sreedevi E P: Semiparametric regression analysis of doubly censored recurrent event data, *Journal of Japan Statistical Association*, 2023 (to appear)
4. Sankaran P G and Hari S : Semiparametric regression analysis of window-observation recurrent event data with multiple causes of failure, *Metron*, 2023 (to appear)
5. Pavitra Hariharan, Sankaran P G and Asokan Mulayath Variyath : A Bayesian semiparametric regression model for current status data, *Communications in Statistics- Simulation and Computation*, 2023 (to appear)

2022

6. Aswin I C , P.G.Sankaran and S.M.Sunoj: Reliability aspects of quantile-based residual coefficient of variation, *International Journal of Reliability, Quality and Safety Engineering*, 2022 (to appear)
7. Dileep Kumar M and Sankaran P G : On Proportional Odds Relevation Transform and its Applications, *Communications in Statistics- Theory and Methods*, 2022 (to appear)
8. Sankaran P G and Rejani P P : Modeling and Analysis of Competing Risks Cure Rate Regression Model with Weibull Distribution, *Statistics and Applications*, 2022 (to appear)
9. Sisuma S and Sankaran P G : Non-parametric Test of Recurrent Cumulative Incidence Functions for Competing Risks Models, *Metron*, 2022 (to appear)
10. Dileep Kumar M and Sankaran P G : Some Results of Auto-Relevation Transform in Reliability Analysis, *Statistics and Applications*, 2022 (to appear)

2021

11. Rejani P P and P.G.Sankaran : Regression analysis of cure model with generalized Weibull distribution, *Statistica*, LXXXI,3, 2021, 267-278

12. Silpa S; Sunoj S.M; and Sankaran P G : Nonparametric estimation of quantile based entropy function, Communications in Statistics- Simulation and Computation, 2021DOI: 10.1080/03610918.2021.1890773
13. Gleeja V L and Sankaran P G : Cause Specific Shared Frailty Proportional Reversed Hazards Models, Statistics and Applications, 12 (2), 2021,1-18.
14. Vipin N, Rahul T and P.G.Sankaran: The delayed effect of temperature on the risk of hospitalization due to COVID-19: Evidence from Mumbai, India, Epidemiologic Methods,9, 2021, <https://doi.org/10.1515/em-2020-0039>, 1-11.
15. Sreedevi E P and P.G.Sankaran : Statistical Methods for estimating cure fraction of Covid-19 patients in India, MASA, 16, 59-64, 2021.
16. Sreedevi E P and Sankaran P G: Nonparametric inference for panel count data with competing risks, Journal of Applied Statistics, 48 (16), 3102-3115, 2021.
17. Dileep Kumar M and P.G.Sankaran: A new family of quantile functions and its applications, Communications in Statistics- Theory and Methods,50(18), 4216-4235, 2021.

2020

18. Sankaran P.G, Ashlin Mathew and Sreedevi E.P : Cause specific rate functions for panel count data with multiple modes of recurrence , Journal of Indian Statistical Association, 58 (2), 193-211, 2020.
19. Asokan M Variyath and P.G.Sankaran: Empirical Likelihood Test for Equality of Cumulative Incidence Functions, Journal of Indian Society for Probability and Statistics, 21(2), 421-436, 2020.
20. Aswin I C , P.G.Sankaran and S.M.Sunoj: A class of distributions with quadratic hazard quantile function, Journal of Indian Society for Probability and Statistics, 21, 409-426, 2020.
21. Aswathy Krishnan, S.M.Sunoj and P.G.Sankaran : Some reliability properties of extropy and its related measures using quantile function, Statistica, LXXX,4, 413-437, 2020.
22. N.Unnikrishnan Nair P.G.Sankaran, and Dileep Kumar M: Bayesian inference in quantile functions, Communications in Statistics- Theory and Methods, 2020 <https://doi.org/10.1080/03610926.2020.1827430>,
23. Sunoj S M, Sankaran P G and Rajesh G:Dynamic information volatility function, Statistica, LXXX, 3, 233-242, 2020.
24. Rejani P P and P.G.Sankaran : Modeling and analysis of proportional hazards competing risks cure rate model, Journal of Indian Society for Probability and Statistics, 21 (1), 175-185, 2020.

2019

25. P.G. Sankaran, Isha Dewan and Dileep Kumar M :The cause specific hazard quantile function, Austrian Journal of Statistics, 48, (2019); 56-69.
26. Dileep Kumar M , P.G.Sankaran and N.Unnikrishnan Nair: Proportional odds model- a quantile approach, Journal of Applied Statistics, 46 (11), (2019), 1937-1955

27. Sunoj S.M., P.G.Sankaran and Unnikrishnan Nair, N. : Some properties of proportional reversed hazards model based on quantile functions, *International Journal for Quality, Reliability and Safety Engineering*, 26 (3), 2019, <https://doi.org/10.1142/S0218539319500116>
28. Baby A.K., Rajesh G, and P.G.Sankaran. Non-parametric estimation of copula based mutual information. *Communications in Statistics-Theory and Methods* (2019): 1-15.
29. P.G.Sankaran and Dileep Kumar M: A class of distributions with the quadratic mean residual quantile function, *Communications in Statistics- Theory and Methods*, 48(19), 2019 4936–495
30. Sreedevi E.P., P.G.Sankaran and Isha Dewan: Comparison of cumulative incidence functions of current status competing risks data with discrete observation times, *Communications in Statistics-Theory and Methods*, 48(23), 2019, 5766-5776.

2018

31. P.G. Sankaran and Dileep Kumar M : Quantile based proportional hazards relevation transform, *Statistica*, LXXVIII, 3, (2018); 197-214.
32. P.G. Sankaran and Dileep Kumar M : Reliability properties of proportional hazards relevation transform, *Metrika*, (2018); 1-16.
33. Ghosh M, Myung J. and Sankaran P.G. :Nonparametric Bayes and empirical Bayes estimation of the population median, with application in finite-population sampling, *Mathematical Population Studies*, 25(3), 159-167, 2018.

Invited Talks in Conferences/ Seminars/ Workshops

1. Delivered a talk on Modeling and analysis of panel count data with multiple causes in Annual Conference of Indian Society for Medical Statistics, M G University, Kottayam, 2-4, November 2023
2. Delivered a talk on Modeling and analysis of income data using quantile functions in the Annual Statistics Conference of Reserve Bank of India, 3 November, 2023
3. Delivered a talk on Modeling and analysis of panel count data in the Colloquium at Indian Statistical Institute, 30 November, 2021
4. Delivered a talk on Proportional mean model for panel count data with competing risks in the conference STATISTICS 2021 CANADA, July15-18, 2021.
5. Delivered a talk on Quantile modelling at National Webinar on Advances in Statistics at Department of Statistics, University of Calicut, June 29, 2021.
6. Delivered a talk on Quantile Modeling in the National Webinar on The Recent Developments in Statistics and Probability, February 18-19, 2021.
7. Delivered a talk on Modeling and analysis of panel count competing risks data in the Web Conference on Visionary Innovations in Statistical Theory and Applications during February 24-28, 2021
8. Delivered a talk on Bayesian inference in quantile functions in the International Virtual Conference: Statistics in The Era of Pandemic of Kerala Statistical Association, March 4-6, 2021.
9. Delivered a talk as invited speaker in the International Virtual Conference on Advanced Statistical Techniques in Business and Industry during 28-30, December 2020
10. Delivered an invited talk on Nonparametric Inference on Panel Count Data in the International Webinar in honour of Prof C R Rao Birth centenary celebrations, a International Webinar on Advances in "Statistics and Data Science for Sustainable Human Development" during 7-10, September,2020.
11. Delivered a talk on Proportional odds model- a quantile approach In National Seminar on Advanced Developments in Statistical Theory and Applications during 28-29, February 2020
12. Delivered a talk at FIFTH International conference on Statistics for twenty – First century – 2019 conducted by Department of Statistics, University of Kerala during December 18-20, 2019
13. Chaired a session at National workshop on Reliability Theory and Survival Analysis conducted by Department of Statistics, Central University Pondicherry during December 11-13, 2019.
14. Delivered a talk on Modeling and analysis of current status data in the National Seminar on Statistical Approaches in Data Science, St.Thomas College, Thrissur,6-7 Feb 2019
15. Attended LEAP of MHRD, Govt. of India, Feb. 24- March 8, 2019 at IIT Bombay and 18-23, March 2019, at NTU Singapore

16. Delivered a lecture on Current status data in the National Workshop on Reliability Theory and Survival Analysis , Indian Statistical Institute, November 28-30, 2018
17. Delivered a talk on Modeling and analysis of statistical data using quantile functions in Khristu Jayanti College, Bangalore, December 14, 2018
18. Resource person for Refresher Course in Statistics organized by University of Kerala, Trivandrum, 7-3-2018
19. Delivered a talk on “A Class of Bivariate Weibull Distributions and itsApplications ” in International Conference on Theory and Applications of Statistics and Information Sciences and Annual Conference of ISPS, Bharathiar University, Coimbatore, January 5-7, 2018.
20. Delivered a talk on “Quantile Regression Models for the Analysis of Middle Censored Data” in 2017 IISA International Conference on Statistics, December 27-30,2017.
21. Resource person on “Reliability” in the Four day Workshop on “Time- to - Events and Time Series Data Analysis using R”, Department of Statistics, CUSAT, December 15-18,2017
22. Resource person in a one day seminar on “Applied Statistical Techniques”, St. Joseph College Irinjalakuda, Thrissur, November 30,2017.
23. Resource person in a one day seminar on “Applied Statistics”, St. Mary’s College , Thrissur, September 26, 2017.
24. Delivered a talk on National Conference on “Recent Advancements in Statistics and their Applications to Society”, University of Pune, March 23-25, 2017
25. Delivered a talk on Annual Conference of Kerala Statistical Association, University of Kannur, February 17-18, 2017.
26. Delivered a talk in Second International Conference on Statistics for Twenty-first Century-2016, University of Kerala, December, 21-23, 2016.
27. Delivered a talk in International Symposium on Statistics and Optimization in conjunction with XXXVI Annual Convention of ISPS and Seminar on Statistical Inference, Sampling and Optimization Techniques and Related Areas, Aligarh Muslim University, December, 17-19, 2016.
28. Resource person for International Workshop on Reliability Theory and Survival Analysis, University of Pune, November 3-5, 2016
29. Delivered a talk on Frailty Models in the Kerala Statistical Association Conference, Nirmala College, Muvattupuzha, February 12-13. 2016.
30. Delivered a talk in the National Seminar, Department of Mathematics, Mercy College, Palakkad, January 29, 2016.
31. Delivered a talk in the International Indian Statistical Association Conference, Dept. of Statistics, University of Poona, Pune, 20-24, December 2015
32. Delivered a talk in the International Seminar on Distribution Theory and Related Areas, Dept. of Statistics, University of Kerala, Trivandrum, 17-19, December 2015
33. Delivered a talk in the International Workshop on Distribution Theory and Related Areas, Dept. of Statistics, University of Kerala, Trivandrum, 14-16, December 2015

34. Delivered a talk on Survival Analysis in the National seminar at Govt. Victoria College, Palghat, 23-24, November 2015
35. Delivered a talk on Statistical Inference in the Workshop on Optimizations Techniques at LBS Engineering College, Trivandrum, 20-24, July 2015
36. Delivered a talk on Statistical Modeling and Applications in International Conference on New Horizons in Presidency College, Chennai, 27-28, February, 2015.
37. Delivered a talk in International workshop on Reliability Theory and Time Series Analysis, CUSAT, Cochin, January 5-7, 2015 .
38. Delivered a talk in National Seminar on Recent Advances in Statistics, University of Pune, January 2-3, 2015
39. Delivered a talk in Annual conference of ISPS, S.V. University, Tirupati, November 30- December 2, 2014
40. Delivered a talk International Conference on Stochastic Modelling, St.Thomas College, Pala, January 3-5, 2014
41. Attended international Workshop on Reliability Theory and Survival Analysis, CUSAT, Cochin, December 31, 2013- January 2, 2014
42. Delivered talk in the International Conference on Role of Statistics in Advancement of Science and Technology, University of Pune, December 16-18, 2013
43. Served as resource person in the UGC sponsored National Seminar on “Process capability studies with special emphasis on computational techniques and recent trends in Statistics, Nirmala Colloge, Muvattupuzha, 3-5, October, 2013
44. Served as resource person in the Workshop on Random Processes and Applications, College of Engineering, Karunagappally, September 10, 2013
45. Attended Workshop on Statistical Analysis of Time Series Data with Applications, CUSAT, January 14-16, 2013
46. International Conference on Statistics, Science and Society: New Challenges and Opportunities, University of Madras, Chennai, January 2-5, 2013.
47. National Conference on Statistics for 21st Century, University of Kerala, December 10-12, 2012
48. Workshop on Reliability Theory and Survival Analysis, IIT, Kanpur, December 3-5, 2012
49. Workshop on Reliability, Survival Analysis and Industrial Statistics, University of Pune, November 9-10, 2012
50. International Symposium on Business and Industrial Statistics, Chulalongkorn University, Bangkok, June 17-21, 2012
51. National Seminar on Recent Developments in Statistics, Pondicherry University, Pondicherry, February 2-3, 2012
52. Annual Convention of ISPS and International Conference on Statistics, Probability and related Areas, Cochin University of Science and Technology, Cochin, December, 19-22, 2011
53. Workshop on Reliability Theory and Survival Analysis, Indian Statistical Institute, Kolkata, November 23-25, 2011
54. National Seminar on Stochastic Modelling and Analysis, Cochin University of Science and Technology, Cochin, March 24-25, 2011

55. National Seminar on Statistics in 21st Century, University of Kerala, Trivandrum, March 17-19, 2011
56. National Seminar on Advances in Statistics, Calcutta University, Kolkata, January 28-29, 2011
57. Workshop on Reliability Theory and Survival Analysis, Indian Institute of Technology, Mumbai, November 25-27, 2010
58. International Conference on Business and Industrial Statistics organized by International Society for Business and Industrial Statistics, Protrose, Slovenia, July 5-9, 2010
59. International Conference on Probability, Statistics, Operations Research, Computer Science and Related areas, IISA & ISPS annual conference, Andhra University, Vysag, January 4-8, 2010.
60. Mathematical Methods in Reliability Conference, Glasgow, U.K., July 1-4, 2007.
61. IISA Workshop on Financial Mathematics, Cochin, January 6, 2007.
62. IISA Joint Statistical Meeting and International Conference on Statistics, Probability and Related Areas, Cochin, January 2-5, 2007.
63. National Seminar on Modeling and Analysis of Life time Data, Cochin University of Science and Technology, February 20-22, 2006.
64. International Conference on Reliability, Survival analysis and related areas, ISI, New Delhi, December 20-22, 2005.
65. International Conference on Statistical Inference and Stochastic Processes, University of Pune, January 8-10, 2006.
66. International Conference on Reliability, Statistics and Related Areas, Indian Institute of Management, Calicut, January 6-8, 2005.
67. International Srilankan Conference, University of Perideniya, December 28-30, 2004
68. UGC Sponsored Refresher Course, Department of Statistics, CUSAT, November, 2004
69. Annual Conference of ISPS, St.Thomas College, Pala, November 2004
70. Annual Conference of ISPS, Nagarjuna University, Guntur, December 2003.
71. International Conference on Statistics in Industry and Business, Cochin, January 2003.
72. Annual Conference of ISPS, University of Pune, Pune, December 2001.
73. Annual Conference of ISPS, University of Chandigarh, Chandigarh, December 2001.
74. International Conference on Reliability Analysis, University of Pune, June 2001.
75. Workshop on Bayesian Inference and its Applications, Indian Statistical Institute, March 2001.
76. Workshop on ISO 9000, Third Edition and Cost of Quality, Cochin, January 2001.
77. International Symposium on 'Development of Statistics in 21st Century', University of Madras, USA, June 2000.
78. International Conference on 'Statistics in 21st Century', University of Maine, USA, June 2000.

79. National Seminar on 'Probability Models and Applied Statistics', University of Calicut, February 2000.
80. National Conference on 'Reliability Analysis', Cochin University of Science and Technology, December 1999.
81. International Conference on 'Stochastic Processes and their Applications', Cochin University of Science and Technology, December 1999.
82. International Conference on 'Combinatorics, Statistics, Pattern Recognition and Related Areas', University of Mysore, December 1998.
83. National Seminar on 'Development in Statistical Science', Bangalore University, August 1998.
84. National Seminar on 'Stochastic Systems', Mangalore University, February 1998.
85. UGC Sponsored Refresher Course, Department of Statistics, CUSAT, March, 1997
86. Workshop on QS 9000, Cochin, January 1997.
87. International Conference on 'Quality Improvement through Statistical Methods', Cochin University of Science and Technology, December 1996.
88. Annual Conference of Indian Society for Probability and Statistics, Thirunelveli, December 1994.
89. International Symposium on plantation crops, NRCS, Calicut, November 1994.
90. Annual Conference of Indian Society of Agricultural Statistics, Thrissur, February 1994.

Extension Activities

1. Reviewer of American Mathematical Review, U.S.A.
2. Reviewer of international Statistics journals such as Multivariate Analysis, Computational Statistics and Data Analysis, Statistics and Probability Letters, Statistics, Communications in Statistics- Theory and Methods, Statistical Papers, Journal of Japan Statistical Association, Journal of Applied Statistics, Journal of Indian Statistical Association, Bulletin of Calcutta Statistical Association
3. Resource Person for UGC sponsored Refresher course for University/College teachers conducted by Academic Staff College, University of Calicut, 2001.
4. Resource Person for UGC sponsored Refresher course for University/College teachers conducted by Department of Statistics, Victoria College, Palakkad, 2001.

5. Resource Person for UGC sponsored Refresher course for University/ College teachers conducted by Academic Staff College, University of Kerala, Thiruvananthapuram, 2001.
6. Resource person for Research Scholars Meet at Indian Statistical Institute, Kolkata, 19-21, February 2014
7. State Coordinator, Admission Test of Indian Statistical Institute, Kolkata (2012 - 2017).
