Full Time	78	77	64
Part Time	72	97	84

Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.	<p>All academic programs of the University were offered in regular offline mode till March 2020 and all these courses switched to online mode during the lockdown period which was declared due to the Pandemic outbreak. For theoretical learning, the learning platform MOODLE is being used (https://moodle.cusat.ac.in/). Initially, a survey was conducted to assess the digital readiness of the students to commence the classes in online mode.</p> <p>In addition to MOODLE, faculty members have organized recorded lectures, voice notes and textual notes through online platforms such as GoogleMeet, ZOOM and Google classrooms. To make online education interactive, faculty members regularly communicate with the students through the mediums such as telephone call, email, whatsapp chats etc. which also help the students to express their concerns if any.</p> <p>Students are also encouraged to participate in certification courses and courses using platforms such as SWAYAM, NPTEL, COURSEERA etc.</p> <p>Coverage of syllabus was ensured using a variety of measures. All live classes were as per the weekly timetable planned and approved at the start of the semester by faculty council. This facilitated proper session plan by the teachers leading to timely completion of the syllabus.</p> <p>To assess the progress of teaching learning in online mode, departments regularly convene faculty meetings and assess status of progress. Also remedial coaching for slow learners are also arranged.</p> <p>Along with the classes, continuous internal evaluations in the form of assignments, tests, seminars etc. were also conducted. Subsequently the end semester examination by the University was also conducted in the online mode.</p> <p>In a nut shell, following measures were initiated to ensure timely completion of courses:</p> <ul style="list-style-type: none"> ?For every subject, online classes are conducted. ?Ensured that necessary infrastructure is set up in very quick time so that faculty members could conduct classes online. ?Ensured that all students can access online lectures and materials. ?Frequent doubt clearing sessions by the respective faculties. ?Continuous internal assessment through assignments, tests, seminars etc. ?Swift switchover and adaptation to online mode of education including conduct of examinations. 		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	1
