International Conference on Advances in Polymer Technology (APT '16)

The Department of Polymer Science and Rubber Technology, Cochin University of Science and Technology, Kochi (Cochin) - 22, Kerala, India, and the IRI, Kerala Branch are jointly organizing an International Conference on Advances in Polymer Technology (APT ’16) during the 25-26th February 2016 at Cochin. As the 9th conference in the series, this conference is also expected to attract large number of research papers –both national and international, as in the previous years. As a leading Industrialist and Polymer Technologist you are invited to participate in the conference and to send research papers.

The deadlines are: Submission of full paper - 10th December 2015, Intimation of Acceptance - 20th December 2015 and Registration (up to) - 30th December 2015.
