ABOUT THE INSTITUTION

Cochin University of Science and Technology (CUSAT) have succeeded in cultivating a national character by giving opportunities to aspirants of higher education from all over the country. The campus is a true manifestation of the diversity of the nation with unity of purpose. In its pursuit of international excellence, CUSAT has established academic links with various Universities in Canada, Japan, The Netherlands, Norway, Russia, U.S.A etc by exchanging students and research scholars. The mission of the university is to make distinct and distinguished contributions to the cause of higher education in Science and Technology.

The Venue of STTP is at the main campus of CUSAT which is located approximately 1 km off the NH – 47 at South Kalamesery, Ernakulam, where the School of Engineering is also situated. The School offers B.Tech programmes in different branches of Engineering like Civil, Mechanical, Electronics and Communications, Electrical and Electronics Engineering, Safety and Fire, Computer Science and Information Technology. The School also offers M.Tech and PhD programmes in various disciplines.

On behalf of Principal and TEQIP Co-ordinator, Coordinators of STTP, School of Engineering, CUSAT you are invited to share and exchange ideas and information pertaining to the area.
