**THREE MONTHS (PART-TIME) SHORT-TERM COURSE IN
COMPUTER AIDED DESIGN AND 3D PRINTING**

Computer Aided Design and 3D printing is revolutionizing the Design and Manufacturing Industries. There is a need for personnel with sound knowledge of CAD/CAM.

The CAD/CAM Centre, School of Engineering, Cochin University of Science & Technology is offering a series of short-term courses in CAD with emphasis on **AutoCAD** – industry standard CAD software.

'AutoCAD' significantly enhances your productivity and eliminates key barriers to accessing design data, collaborating with your colleagues, and connecting you to the outside world.

The course is of three months duration, three hours per day on Mondays, Wednesdays and Thursdays. It is offered in 3 different timings (10 am to 12noon, 4.30 pm to 6:30 pm and 6:30 pm to 8:30 pm)
