

Department of Polymer Science & Rubber Technology

പോളിമർ-റബ്ബർ ശാസ്ത്ര സാങ്കേതിക വിഭാഗം

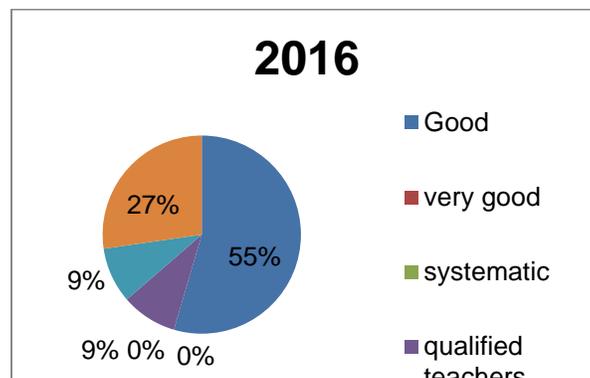

ISO 9001 : 2015 Certified

Cochin University of Science & Technology

കൊച്ചി ശാസ്ത്ര സാങ്കേതിക സർവ്വകലാശാല

Report on the Feedback from Parents and the Action Taken (2016-2017)

Many of the parents responded to the online survey conducted. The Department is happy to note that a overwhelming number of them are happy with the programme. Many of them stressed the strengths of the Department in terms of the academic excellence of the teachers and the mode of the conducting the course. There were some creative suggestions as well. These included introducing more hands on works and more industrial visits etc. The overall breakup of the feedback is shown below.

Action Taken: The suggestions to include more industry interactions and visits have been accepted. The number of laboratory experiments has been increased.
